STONE CHIMNEY FARM

Discover the charm and potential of this beautiful 27-acre property nestled near the Shenandoah National Park. Once home to an old homestead, the original stone chimney still stands. The property offers an ideal mix of open, fenced pasture—perfect for livestock—and wooded, mountainous terrain that's excellent for hunting or exploring nature. A strong, rushing stream crosses the land. With excellent road frontage and multiple potential building sites, this is a wonderful place to create your dream home or weekend retreat.
