

CHERIWOODARDREALTY
THE HOMEPLACE

Solidly built and lovingly maintained, The Homeplace has been renovated with a light touch to create a feeling of retro elegance in a perfect, petite package. This three bedroom, two bath home has original hardwood floors throughout, along with some beautiful upgrades like crown molding and recessed lighting. The rooms are light-filled and welcoming. Fireplace, antique kitchen sink, sunroom, porch, patio and a sturdy outbuilding on 3 acres with Blue Ridge Mountain views.
